### Objective

Obtain an internship in a highly interactive environment where I may develop and expand my skills in architecture and design. I look forward to enhancing my work environment with my education focused in sustainable techniques and public spaces/public art.

### Education

#### California State Polytechnic University, Pomona, Pomona, CA

*Masters of Architecture expected January 2010*

Completed coursework includes Design Studio, Sustainability, Building Codes, Robotics, Structures, Building Construction, Computer Modeling, Environmental Controls and Historic Preservation.

#### Special Project, CSU Summer Arts, Going Public July 1-15 2007

Multiple guest artist joined this course that examined the emerging field of public art as an opportunity for interdisciplinary studies between architects, designers, landscape architects, and fine artists.

#### University of Washington, Seattle, WA

*BA in Interdisciplinary Visual Arts with a minor in Architecture - June 2004*

Coursework concentration in sculpture, architecture, design, digital art. 20 credits in English and communications.

#### Special Project, Public Art Design/Build Spring 2004

Part of a student and faculty team that created a large-scale public art feature for the Washington DOT and the City of Seattle. Involved in the research, planning, and implementation of multiple large scale steel pieces and concrete work.

### Relevant Work Experience

#### Intern, Gary McKelvey Architect

Tahoe City, CA June 2007 - September 2007

In this position I was involved on a variety of projects that were in various stages of development.

Responsibilities included as-built drawings, design, construction documents, color boards, construction observation and research.

#### Intern/Receptionist, Faulkner Architects

Truckee, CA December 2005-March 2006

Primary responsibilities included: interior elevations, blueprinting, materials and furniture research, answering phones, filing and construction observation.

### Other Work Experience

Waitress	Chambers Landing, Homewood, CA	June 2006-September 2006
Children's Ski Instructor	Squaw Valley USA, Olympic Valley, CA	November 2004-May 2006
HR/Admin Temp	Stormfront Studios, San Rafael, CA	June 2005-September 2005
